

Detect to Protect

iTraker Base Model Features:

Radar/Motion Sensor:

- Uses non-intrusive, low-energy microwaves to detect activity.
- High-frequency radar emissions accurately locate and monitor termite and insect movements without disturbance.
- Real-time radar data integrates into the display device for pre and post-treatment reports.

Enhanced Moisture Sensor:

- **Direct Mode:** Detects subtle moisture fluctuations up to 40mm deep with Omni-directional technology, maintaining accuracy even in extreme humidity.
- **Relative Mode:** Detects moisture changes beneath the wall's surface in relation to a reference point, useful for identifying moisture-prone areas conducive to termite activity.

Cloud-Based Data Storage:

- Efficient data capture, storage, and access via the iTraker app's cloud-based system, facilitating easy review and sharing.

iTraker Training and Certification:

- Comprehensive training program to ensure users have the necessary skills and knowledge to become Termatrac Certified Technicians and fully utilise the device's capabilities.

iTraker Base Model Inclusion:

- iTraker Base Device
- iTraker Stand
- Lanyard
- Phone Backing Plate
- USB-C Charging Cable
- iTraker Guide
- 24 Month Warranty Card

iTraker™

The iTraker BASE stands as a cutting-edge, non-invasive detection device, fully furnished to pinpoint the movement of insects and other pest with industry standards and requirements.

Detect to Protect

The Ultimate Companion Tool

iTraker Pro Model Features:

Includes all the Base Model Features Plus

Full Thermal Imaging Camera:

- Accurately measures your target using center spot or max/min area box
- Resolution: 256*192
- Pixel Pitch: 12um
- FOV: 42° * 32.1°
- Frame: 25HZ
- Accuracy: +3°C
- Measurement Range: -20°C - 120°C

iTraker Training and Certification:

- Comprehensive training program to ensure users have the necessary skills and knowledge to become Termatrac Certified Technicians and fully utilise the device's capabilities.

iTraker Base Model Inclusion:

- iTraker Base Device
- iTraker Stand
- Lanyard
- Phone Backing Plate
- USB-C Charging Cable
- USB Thermal Camera Cable
- iTraker Guide
- 24 Month Warranty Card

Comprehensive device for detecting termite infestations, rodent nests, and potential electrical problems.
